What is Entre Comp?

- The European Commission has developed EntreComp: the European Entrepreneurship Competence Framework as a reference framework to explain what is meant by an entrepreneurial mindset.
- EntreComp offers a comprehensive description of the **knowledge, skills and attitudes** that people need to be entrepreneurial and create financial, cultural or social value for others.

Entre comp competences

Entre comp identifies 3 competence areas:

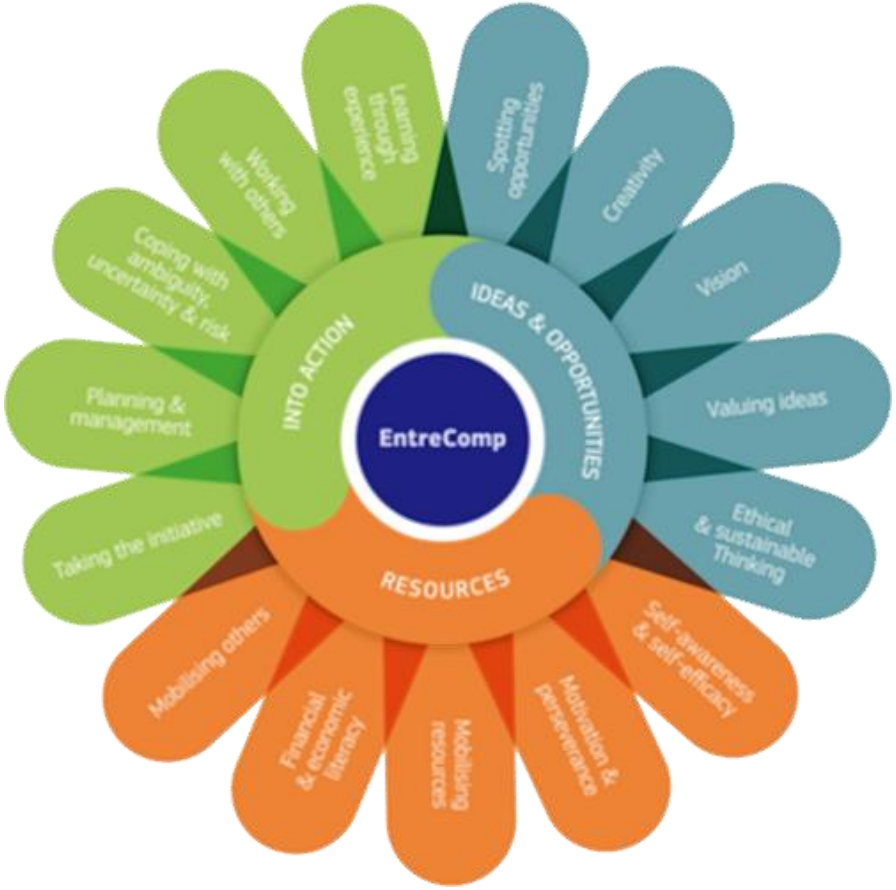
- Into action
- Resources
- Ideas & Opportunieties

.

Competences

Each area contains 5 competences, and together these make up the 15 competences that create an **entrepreneurial mindset**.

Each competence is explained through a hint and a brief description, and then developed further into thematic threads and learning outcomes.



Competences

Ideas and Opportunities:

- Spotting opportunities
- Creativity
- Vision
- Valuing ideas
- Ethical and sustainable thinking

Resources:

- Self-awareness and self-efficacy
- Motivation and perseverance
- Mobilizing resources
- Financial and economic literacy
- Mobilizing others

Into Action:

- Taking the initiative
- Planning and management
- Coping with uncertainty, ambiguity, and risk
- Working with others
- Learning through experience

Task

- First, explore independently three competence areas, each of which consists of five different competencies (entrepreunial mindset).
- Think about your proficiency levels in terms of competences. What are your strengths and where do you need most improvement?
- As a group, discuss strengths and skills to develop, and be prepared to present your group's reflections to other participants.

The European Entrepreneurship Competence Framework

EntreComp is the European reference framework to support a shared, comprehensive understanding of entrepreneurship as a competence.

EntreComp identifies the knowledge, skills and attitudes we all need to act upon opportunities and ideas, and transform them into social, cultural, or financial value for others.
